The students and staff at Orchard Friends School in Riverton, New Jersey, gathered in Collection on the morning of September 7, 2011, and declared their intentions and expectations regarding the relationships and behaviors of everyone in the school community. We reviewed the following list and determined that it is an accurate recording of our intentions and expectations and we do therefore set our hand below declaring our part in the commitment to this record of Orchard Friends School Spirit and our agreement to live in the spirit of this document.

We will follow all of the guidelines of the spirit document so that everyone knows that Orchard Friends School is a safe and caring place to learn.

We will strive to be good role models for each other.

We will make sure our school is a safe and peaceful environment.

We consider each other friends, family and we always work as a team.

We will treat other with respect, the way we would like to be treated.

We will be loyal, supportive and kind to our friends and teachers.

We will encourage each other to do their best and to be successful.

We will be good sports and will keep our school full of positive energy.

We will use kind words and encourage our friends to promote self-esteem.
